### **Tomu, Inc. Quicky Hits \$50,000 Milestone in Crowd Fundraising Round**

*The DC-Area company, with a mission to create more sustainable hospitality lodging, launched its Reg CF offering on Monday offering early investor perks through March 1<sup>st</sup>*

**WASHINGTON, DC & FREDERICK, MD** – Tomu, Inc., a sustainability-focused hospitality development company, announced today that it had already reached an early milestone of \$50,000 in investments through its campaign on the crowdfunding platform StartEngine. The Reg CF investor offering was launched on Monday, February 27<sup>th</sup> with bonus interest on the convertible note offer to early investors through Wednesday, March 1<sup>st</sup>. The public round was launched to raise capital for its mission to make hotels and lodging rentals more environmentally sustainable and accessible to own.

Tomu designs and builds prefabricated guest rooms for use in hospitality construction using its proprietary modular building system to address emerging traveler demand for more sustainable lodging options. The company's guest units come in both turnkey and configurable design options, allowing both independent and franchised hotel operators a way to reduce project development times and lower ongoing operating costs.

*"We are so excited to have surpassed the \$50,000 milestone so quickly on our crowdfunding campaign. This achievement is a testament to the hard work of our team and the support of the Tomu community," said Chris Osaka, Chief Executive Officer of Tomu, Inc. "We've been truly impressed by the number of people just learning of Tomu who have invested in our company. We are grateful for the trust placed in us and we are more determined than ever to deliver on our goals."*

Tomu's Reg CF fundraising round offers the public an opportunity to invest in the company and become a part of its mission to create a better future for hospitality. The fundraising round will be conducted through the platform StartEngine allowing non-accredited investors to participate and runs concurrent with Tomu's offering exclusively for accredited investors.
